To The Democratic Voters of Appomattox County:

In this time of world unrest don't let wild political statements sway you from a sound State and Federal Government.

Senator Byrd while in the State Senate championed the pay as you go road plan and helped defeat the Bond Issue. As a result of this leadership we have the roads and do not have a bonded indebtedness. Had it been otherwise we would have bonds and the roads would now be obsolete.

While Governor through Byrd's leadership and efforts our State Government was reorganized whereby many inefficient agencies were abolished and the remainder consolidated into compact compartments functioning on a sound business like basis. These reforms have been a model for other states and many have copied them.

Senator Byrd sponsored the Byrd Road Plan whereby the State took over the secondary road system of 37,000 miles in 1932. Prior to this the farmers and rural citizens paid a road tax on their homes and property to keep up the roads. The change resulted in a savings of nearly 4½ million dollars in taxes to the rural people. Now the roads are kept up by the Gasoline Tax paid by all users of the roads and not just the rural property owners.

While Governor he also sponsored the tax segregation plan whereby all State Taxes on land and tangible personal property were repealed, thus saving farmers, laborers, business men and all other tax payers millions of dollars in State taxes.

In 1933 Senator Byrd entered the U. S. Senate. He supported President Roosevelt in his re-organization of the Banking laws whereby the Federal government guaranteed the bank deposits.

Senator Byrd supported measures to help curb the widespread stock and money manipulation of big money interests.

Senator Byrd supported the Triple A program for the farmers.

Senator Byrd has always supported agricultural measures that he thought sound and helpful to the farmers.

Senator Byrd has supported all measures of the Soil Conservation program.

He has actively supported and voted for all measures of the Federal rural electrification program which has meant light and power to thousands of farmers, laborers and others. Even while Governor of Virginia he appointed a commission in 1927 to make a study of the matter which was the first step taken in Virginia.

Senator Byrd has consistently supported all measures helpful to the prosecution of the war and the winning of the Peace.

He has supported all measures helpful to the members of the armed forces and the Veterans including the raise in pay from $21.00 per month to $50.00 per month and the recent raise to $75.00 per month, also the allotments to dependents. He sponsored the GI Bill of Rights whereby veterans are set up in business including farming, sent to school, loaned money to buy homes, etc., and all measures helpful to the sick and wounded veterans.

Senator Byrd if reelected will support the terminal leave pay for discharged enlisted men. Discharged officers have already received this pay and it is only fair and just that enlisted men be given the same consideration.

Senator Byrd has supported all measures leading to sound business like operation of the National Government so as to save the tax payer money and to insure that our government will be able to meet all of its obligations including the bonds that most people have so patriotically bought. To do otherwise would be to destroy our present sound government.

HARRY F. BYRD

Senator Byrd is a candidate for re-election to the U. S. Senate, subject to the Democratic Primary August 6,1946. We, the undersigned friends and supporters of Sen. Byrd urge his renomination and solicit the influence and vote of every Democrat in the Primary on August 6, 1946.

New England Rated Healthiest Place

Opinion Comes From Dean Of Harvard Health School.

BOSTON.—The northeastern section of the United States — comprised of New England and northeastern New York—is the most healthful place to live.

That's the opinion of acting dean Edward G. Huber of the Harvard school of public health, who said that region's changeable climate "tends to develop one intellectually as well as physically."

Dr. Huber said that despite all the jokes made about New England weather, it actually acts as a stimulus to the population and therefore makes the region a desirable place in which to live.

However, he added, climate has very little to do with the amount of disease prevalent in any given area. It's what you do in that climate and what precautions you take to guard your health that are important, he explained.

"I can almost say that a region is as healthful as its local boards of health are efficient," he said. "Massachusetts and Connecticut have excellent boards of health, for instance, and they're both good places to live."

Certain sections of the country which are widely-known for their health-giving properties don't — in most cases — deserve their reputations, Dr. Huber asserted.

"California, for instance. I don't take much stock in all that talk their chamber of commerce gives out. For example, they have more malaria in California than we do in New England."

As for going to Arizona to cure tuberculosis, that's a common fallacy, too, according to Dr. Huber. His thesis is that a victim can be cured in a sanitarium in Massachusetts as quickly as he would be anywhere else.

"There's a lot of superstition and wrong information about most diseases," he said. "A person living on a hill in the country is just as well off as he would be taking a cure for tuberculosis in Arizona or New Mexico or Denver, Colo.

"It's not necessary to seek an ideal climate—the important thing is getting the correct treatment."

ON COMMITTEE

W. M. ABBITT

W. M. Abbitt, of Appomattox, has been named as member of an advance rules committee to draw up suggested rules of procedure for the State Democratic convention to be held in Richmond the first week-end in September to nominate a party candidate for the unexpired Senate term of the late U. S. Senator Carter Glass.

Mr. Abbitt is serving as acting chairman of the committee. He was named by Horace H. Edwards, the state party chairman.

A mass meeting of Democratic voters will be held here in August to name county delegates to the state convention.

Register For College Courses

Richmond, July 24.- Veterans and other students who desire college training but have been unable to gain admittance to Virginia's crowded institutions of higher learning will register August 1 and 2 throughout the state.

The ten-man steering committee of prominent Virginia educators, appointed by Governor William M. Tuck to work out ways of providing college training to all persons seeking higher education, announced the registration dates as the chief executive made public plans for acquiring the St. Helena Naval Ship Berthing Facility from the Navy for use as a temporary college. The Facility, at Norfolk, is not now being used by the Navy.

Registrations for college training will be conducted under the supervision of division superintendents of schools.

Ships Million Pounds of Beef; Can't Buy Steak

HEREFORD, TEXAS. — L. B. Godwin, Hereford cattle man, supervised the loading of 41 carloads of cattle weighing 1,142,170 pounds, for shipment to the New York market. Then, tired and hungry, he made the rounds of local restaurants and markets in search of a good beefsteak — and couldn't buy one in town.

Form 'Haircut Club' to Combat New Price Raise

NEW BRITAIN, CONN. — Fastest growing organization in this community is the Free Haircut club, born in protest of a price raise by the city's barbers from 75 cents to $1. Club leaders have been swamped with membership applications since their announcement that they would rent a store and equipment, an unidentified spokesman disclosed. Members meet in the store and cut each other's hair.

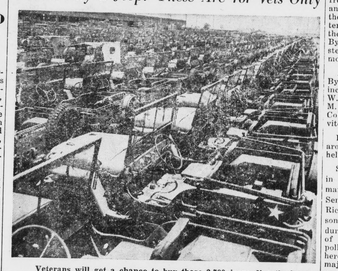
Robt. E. Lee Soil District To Name Director

The Robert E. Lee Soil Conservation District embraces all lands lying within the boundaries of Appomattox, Campbell, Buckingham, Cumberland and Amherst, including the incorporated towns. The district was originally organized in July, 1940. In 1943 Cumberland County was added to the district, and later Amherst sought admittance to the district and was officially admitted in 1944.

Soil Conservation Districts are locally organized and operated. Under the provisions of the Virginia Soil Conservation Districts Act, Senate Bill 38 of the 1938 Session of the General Assembly, soil conservation districts are administered by five local persons. The State Soil Conservation Committee appoints two members to the board, one of whom is a county agent from the district. The county agent member serves for a period of one year and the second appointee member serves for a period of two years. The three remaining members of the five member board are elected by the qualified voters of the district. These three members serve for a period of three years. District supervisors serve without pay and the actual expenses incurred in transacting official business are paid by the State Soil Conservation Committee.

The State Soil Conservation is now accepting petitions for candidates desiring to serve as supervisors of the Robert E. Lee District. Anyone desiring to offer themselves as a candidate may secure a nominating petition form and additional information from the local county agent's office.

Wanta Buy a Jeep? These Are for Vets Only



Veterans will get a chance to buy these 2,700 jeeps directly from the War Assets administration in Atlanta, Ga. There have been numerous complaints from ex-servicemen that they have had to purchase government surplus goods through dealers. To correct this situation the WAA has arranged these direct sales as empowered by recent legislation.

Garment Plant Changes Hands

There has been a change in the ownership of the Appomattox Garment Co., Inc. The factory has been purchased from Mrs. J. Eddins by Leonard Anderson, W. Eddins, Irving and Freydberg. Mr. Anderson will be plant superintendent. The plan... at present 89 people, and has plans to construct its own building on Route 460 here and increase the number of employees.

The Garment Plant has one of the largest pay rolls in the county, and makes cotton garments for women and children.

Mr. and Mrs. J. W. Eddins and two children will move here the first of August from Dunelle, N. J.

CHARLIE E. WOODY

Charlie E. Woody, 70, died at his home near here Monday, after a brief illness. He was born in Albemarle County but had lived in Appomattox County for the past eleven years. He was the son of the late James and Lizzie Woody, of Albemarle. He was a member of the Reedy Springs Baptist Church.

He is survived his wife, Mrs. Myrtle Cyrus Woody, and the following children: Mrs. Hilda Brady, of New York City, Roy Woody, of Roanoke; Edward, Lawrence and Charles Woody, of Appomattox. Also a brother, Junius Woody, and Miss Cora Woody, of Buffalo.

Funeral services were held Wednesday at 2 P. M. at the Reedy Springs Baptist Church with burial in the church cemetery.

2 Ball Games Are Scheduled

In the midst of a fight for a place in the Skyline play-offs, Appomattox's Lee Theatre ball team has two hard games this week-end. Saturday afternoon, Appomattox will play as Buena Vista, and Sunday afternoon the league-leading Glasgow team plays here.

Lee Theatre divided two close games last week-end. On Saturday, a ninth inning rally won a 13 to 12 victory over Big Island here. Sunday afternoon, Bedford broke up a tie game in the tenth inning.

Appomattox played at Chase City yesterday, and won 2 to 0.

ARMY HALTS NEGRO ENLISTMENTS

Word was received at the Appomattox Recruiting Point yesterday that no more Negro enlistments may be accepted until further notice, according to S.-Sgt. John W. Torrence, Recruiting Point Commander.

"The Negroes have responded to the current intensive recruiting program to such an extent that the War Department has seen fit to limit enlistments to a few specialists," Sgt. Torrence said. "The Appomattox office, however, has not received a list of the specialists, consequently no Negro enlistments can be accepted at this time."

Some 140,000 Negroes have enlisted since last fall.

Mrs. Ella S. Anderson, Home Demonstration Agent

Home Demonstration Agent's Schedule for the week of July 29 - August 3:

Monday, July 29 Saturday, August 3: 4-H Honor Club Camp at Holliday Lake, work with Handicraft for week. Outstanding 4-H members will attend from all over the State, and will be from 14 to 20 years of age.

Members who plan to attend from Appomattox County are:

Elizabeth Mundy, Dorothy Hasserfield, Ann Terry, Shirley Southall, Mildred Slayton, Gaynelle Irby, Dorothy Marshall, Beatrice Marshall, Earl Johnson and Charlie Harvey.

Saturday, August 3- The Hixburg Home Demonstration Club will hold its annual picnic at Holliday Lake from 4:30 to 8:00 P.M. All members and their families are invited to attend and bring a picnic lunch.

The Glendale Home Demonstration Club will hold its annual recreational meeting and picnic at the home of Mr. and Mrs. Frank Nash at 5:00 P. M. Members and their families and friends are invited to attend and bring a picnic lunch.

Come and get it, folks! It's all free! In these days of scarce meat and when the family cupboard has the appearance of Bikini Island after an atomic bomb demonstration, the friends of Senator Harry Flood Byrd are giving a free brunswick stew at Holliday Lake at 12 "0 (tomorrow, Friday, July 2 .

After the free feed, Senator Byrd will speak, and dignataries, including former Governor Colgate W. Darden, Jr., Governor William M. Tuck, Lieut. Gov. L. Preston Collins, and others, have been invited.

In event of a downpour of rain around noon, the speaking will be held in the local high school.

Senator Byrd is being opposed in the August 6,'s Democratic primary for renomination to the U. S. Senate by Martin A. Hutchinson, Richmond attorney. Mr. Hotchinson has not invaded Appomattox during the campaign, and friends of Senator Byrd are expecting to poll a top-heavy majority for him here. Some expect his Appomattox majority to exceed 1,500 out of a probable 1,900 cast.

Senator Byrd will speak Friday night at the high school in Buckingham.

OFFICE OPENED HERE TO ASSIST VETERANS

David T. Robertson, Adjutant of the local American Legion Post, announces that on each second and fourth Tuesday, beginning in August, A. C. Clement, Director Division War Veterans Claims, Lynchburg Area, will be at the Appomattox Court House between the hours of 10 A. M. and 3:30 P. M. to assist veterans in their claims, and other matters concerning the procession adjudication of claims, and service to widows, orphans and dependent parents of veterans.

Mr. Robertson suggested that all veterans in this area who are in need of this service, see Mr. Clement on the above schedule.

Fine Peaches, But No Sugar

An excellent peach crop is now coming on the market, and housewives are casting around for some sugar for canning use. The sugar supply is on the extreme short side and hardly likely to improve in time to do much good for canning the unusually large peach crop.

The next three weeks should see an abundance of peaches. The price is ranging up to $3.00 a bushel.

Revival Starts At Presbyterian Church Here

Revival services will be held in the Appomattox Court House Presbyterian Church from this Sunday night, July 28, through Friday night, August 2. The Rev. G. Bird Talbot, of Madison Heights, will preach each evening. Mr. Talbot is a missionary to China and expected to return there in August. However, unsettled conditions in China have changed these plans. During his enforced absence in China he is serving as pastor of the Elon and Mt. Carmel Presbyterian Churches.

The public is cordially invited to attend these services, which will begin each evening at 8 o'clock.

Farming stands financially now in Virginia.

Legion Will Elect Officers

David T. Robertson, Adjutant of the Appomattox Post of the American Legion, announces that the Post will meet at Holliday Lake on Friday, July 26, at 4 P. M. There will be an election of officers.

Legionnaires from the adjoining counties are invited to attend.
